When your stars align, we'll add the sparkle

Let us bring your dream wedding to life in our five-star luxury resort. The Old Course Hotel, Golf Resort & Spa is a timeless destination for your special day with views overlooking the world renowned Old Course, Swilken Bridge and the beautiful West Sands Beach.

A tale of two becoming one forever

Our elegant Conservatory is the ideal place to hold your ceremony as the spectacular views will take your breath away. Then there is our stunning Ballroom with its glittering chandeliers and light décor – the perfect blank canvas to make your own. And, if you are looking to go grander, then our [Hall of Champions](#) is for you. We have now incorporated the famous “Green Sheds” into this space, with beautiful glass doors opening onto an outdoor terrace which provides stunning views over the golf course.

“

We simply cannot give a high enough recommendation for a wedding at St Andrews Old Course Hotel. Having the family at the hotel for the weekend was the perfect choice, and with the stunning backdrop of one of our favourite places to visit (St Andrews town and historic Old Course) a perfect package.

Right in the middle of an ordinary life, love gives us a fairy tale

You've captured each other's hearts now it's time to capture the moment. Take a step through the Conservatory glass doors into our garden grounds which are not only perfect for sipping a glass of chilled champagne and canapes with your family and friends, but also provide a spectacular photo location. Or if you'd like to take in the views of West Sands Beach and beyond with your guests, our West Deck is the perfect location for your pre-dinner drinks.

“

We chose to have our meal in the Conservatory, where you are literally right on the golf course in breath-taking surroundings, followed by our reception in the Ballroom which oozes elegance and class. It is certainly a venue that doesn't need much 'dressing up' in order to provide you with a gorgeous backdrop for your day.

“

Everything was exceptional- from the venue itself, the food, wine, service and to all the staff helping on the day- they were simply brilliant and so professional. They made the whole experience of planning a wedding completely stress free as they took care of everything for us, every tiny detail was important to them and I felt they were truly invested in making our day so brilliant
