Our Food Ethos

Fearann, Mar, Talamh – the Earth, the Sea, the Land in Scots Gaelic, is the foundation of our food ethos.

We use ingredients that represent the best of Scotland's produce; they are the heart of our menus, showcasing the kitchen's culinary excellence.

The strawberry and pink champagne preserve we serve is made exclusively for the Old Course Hotel and is the perfect accompaniment to a luxurious afternoon.

Old Course Hotel Signature Blend

Our signature blend is exclusively hand-crafted for the Old Course Hotel by *PekoeTea*. This blend contains some of the finest Ceylon tea from the St Andrews Estate in Sri Lanka, combined with teas from China, Assam, and Nilgris. Inspired by Scotland's connection to the modern-day tea industry of Sri Lanka, this is a refreshing and uplifting afternoon tea.

Black Forest Gateau

Inspired by a rich and scrumptious cake, this delicious blend brings together layers of carefully selected black teas with fruit pieces and chocolate. Enjoy this sweet delight with a dash of milk for extra creaminess.

Chocolate Chai

Our take on chocolate chai, bringing together carefully selected caffeine free ingredients with warming spices and delicious chocolate. This vegan friendly blend has been lovingly hand blended in Edinburgh to brighten up the winter season.

Divine Lily Blooming Tea

Divine Lily is a beautiful handmade blooming tea from China. A delicate, hand tied ball unfurls when brewed to reveal a chain of jasmine blossoms, surrounded by lily petals and a red amaranth on top. This tea is a pure visual delight with a very delicate, sweet and floral flavour.

Old Course Hotel Garden Blend

Deliciously fruity and naturally caffeine free, our Garden Blend is inspired by the large collection of Barberries housed at St Andrews' Botanical Garden. Expertly blended exclusively for the Old Course Hotel by *PekoeTea*, and combines barberries, hibiscus, rosehip, apple and strawberry.

Chai Black

Inspired by travels to India sourcing tea; chai black is a sweet aromatic blend that helps keep out the cold. Created by combining premium black tea and an assortment of traditional spices.

Cloud Catcher

Cloud Catcher is a colourful fruit blend designed to brighten up those grey days. The natural sweetness of apple is pleasantly complemented by the slight tartness of cranberry in this naturally caffeine free infusion.

Earl Grey

Traditionally a blend of black teas with added bergamot flavouring; this Earl Grey is hand-crafted using the finest Chinese and Indian black teas with an added sprinkle of blue cornflowers and natural flavourings.

Golden Osmanthus Oolong (Huang Jin Gui)

Golden Osmanthus takes its name from the golden liquor of the infusion, of its yellow green leaves and for its distinct osmanthus flower-like aroma. This oolong has a sweet floral flavour with a hint of honeysuckle.

Jasmine Dragon Pearl

Jasmine Dragon Pearl is picked in the early spring in the misty mountains of Fujian province. Only the most tender green buds and select leaves are hand rolled into small pearls. The leaves are then scented naturally with jasmine.

Peppermint

Peppermint tea is a naturally caffeine free infusion made from the leaves of the peppermint plant. Our peppermint is a cut leaf and makes a very refreshing infusion.

The Orangery

Inspired by the Victorian orangeries attached to the walled gardens of the many stately homes in Scotland, we have blended together the finest green and white teas, orange pieces, jasmine blossoms and natural flavourings for a light and sweet infusion.

Highland Rooibos

Highland Rooibos combines South African Rooibos with flavours picked from Scotland's wilderness. It creates a refreshing caffeine-free infusion that calls to mind a crisp Highland morning shrouded in mist.

Leith Lights

A caffeine free blend inspired by the ornate street lamps of Leith. Leith Lights brings together invigorating ingredients with turmeric and juicy tropical natural flavours.

Rose Gin Tea

A unique and delightful blend of black tea, rose and gin botanicals that create a taste profile reminiscent of the classic gin and tonic cocktail. Hand blended in Edinburgh this fragrant blend is sure to impress any tea lover looking to try something new and exciting.

Whisky Tea Speyside Blend

Inspired by the five main whisky regions from across Scotland, *PekoeTea* have carefully hand-crafted this tea to reflect the typical single malt whisky flavour from Speyside. Speyside is famous for its smooth sweet notes of dried fruits and vanilla.
