THE DUKE'S OVERVIEW

The Duke's championship golf course gives magnificent panoramic views over the town of St Andrews and stunning coastline. Play is breathtaking – in every sense.

It's also the only heathland course in the area and is ranked 80th in the UK, 4th in Fife and was the best value for money course in Scotland in 2017, 2018 and 2019.

The 18-hole course is set up as two loops of 9 holes – enabling us to change the course's format to suit different seasons and competitions. There are also five separate tee positions at every hole, so The Duke's has the flexibility and challenge to appeal to golfers at every level. There are also buggies available.
